

12 June 1975

Mr. James A. Wilderotter
Associate Counsel to the President
Room 182
Old Executive Office Building

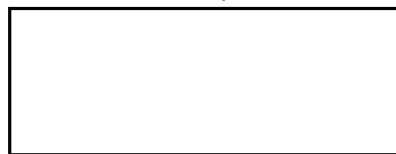

Dear Jim:

This is to alert you that we have received a request from the Senate Select Committee for copies of NSC 4-A, 17 December 1947 and NSC 10/2, 18 June 1947. NSC 4-A is the basic authority giving OPC responsibility for conducting covert psychological operations. NSC 10/2 is the extension of this charter to cover the entire range of authorized covert actions. Copies are attached for your information.

Members of the staff have seen these papers on our premises. I told them that we could not release these documents, and that they could ask for it directly from the NSC, in which case we had no objection to its release. Alternatively, since we have a copy readily available, I could release it if you approve.

Please advise.

Sincerely,

25X1A
